SUBJECT: Revision of RDA 2.7.2.3, 2.8.2.3, 2.9.2.3, 2.10.2.3 Recording Place of
Production [Publication, Distribution, Manufacture]

LC supports the addition of options for RDA 2.7.2.3, 2.8.2.3, 2.9.2.3, and 2.10.2.3 and appreciates the work of ACOC in drafting this proposal.

As the ACOC representative noted, there are many instances when this information is not present on the resource but would be helpful for identification and access, particularly to distinguish the place from others with the same name. This information may also be provided in a note, but supplying the larger jurisdiction directly after the element may be more expedient and helpful to the user.
