

To: Joint Steering Committee for Development of RDA
From: John Attig, ALA Representative
Subject: Revision of RDA 3.19.7.3, Recording transmission speed

ALA thanks ACOC for clarifying the instructions for recording transmission speed, and for providing the appropriate background. ALA confesses limited technical expertise in this area, but finds the information presented by ACOC convincing. The proposal appears to enable more flexible and accurate recording of this information.

ALA supports the ACOC proposal.
