

To: Joint Steering Committee for Development of RDA
From: Gordon Dunsire, CILIP Representative
Subject: Revision of RDA 2.11.1.3 (Recording Copyright Dates)

CILIP thanks ALA for its proposed revision.

CILIP agrees with the proposal in principle.

CILIP thinks that “phonogram copyright” is a clearer substitute for the symbol than just “phonogram”.

CILIP thinks a generalization of the basic rule is required, rather than the introduction of an exception.
