Subject: Revision of RDA 6.15.1.3 (Recording Medium of Performance)

ACOC thanks ALA for this proposal to revise the instructions on recording Medium of Performance to allow for the recording of medium using a controlled vocabulary outside of RDA.

We support the proposal, but suggest that the words of the proposed Alternative – ‘instead of or in addition to’ – be set out in the same way as in the Alternative at 6.27.1.4 – ‘instead of (or in addition to)’.
