

**TO:** Joint Steering Committee for Development of RDA  
**FROM:** Alan Danskin, British Library representative to JSC  
**SUBJECT:** Change to RDA 7.24 and Glossary, Artistic and/or  
Technical Credit.

---

BL thanks ALA and MLA for their proposal. The BL has comments on both the proposed change and the Note from the ALA Representative.

**Change to 7.24, etc.**

BL agrees that the scope of the element should not be restricted to specific types of resources. BL agrees with the changes proposed to 7.24 and to the Glossary terms.

**Note from the ALA Representative**

The ALA Representative identifies for discussion:

- potential for Artistic and /or Technical Credit, and Performer, Narrator, or Presenter to be subsumed in the Statement of Responsibility;
- provision for recording contributions to the realisation of the manifestation or item.

The BL agrees that these issues are worthy of further investigation, but takes the view that this should be done at a later date and it should not prevent the extension of 7.24, as proposed, in the short term.
