11.3.3 Other Place Associated with the Corporate Body

CORE ELEMENT
Other place associated with the corporate body is a core element when needed to distinguish a corporate body from another corporate body with the same name.

11.3.3.1 Scope

Other place associated with the corporate body is a place associated with a corporate body other than location of a conference, etc.

Other place associated with the corporate body includes a country, state, province, local place, etc., associated with a corporate body and the location of headquarters of a corporate body.

11.3.3.2 Sources of Information

Take information on other place associated with a corporate body from any source.

11.3.3.3 Recording Other Place Associated with the Corporate Body

If a corporate body has a character that is national, state, provincial, etc., record the name of the country, state, province, etc., in which it is located. Apply the basic instructions on recording places associated with corporate bodies at 11.3.1.

[examples for 1st paragraph; exception unchanged]

For other bodies, record the name of the place that is commonly associated with the name of the body.
