

6JSC/CILIP rep/3/ALA response
September 27, 2013

To: Joint Steering Committee for Development of RDA
From: Kathy Glennan, ALA Representative to the JSC
Subject: RDF representation of RDA relationship designators: a follow-up discussion paper

ALA thanks the CILIP representative for his detailed analysis of the relationship designators in RDA and how to represent them in RDF. We agree with the recommendations in the paper and its appendices.
