Subject: Priority order of additions to authorized access points representing a person
(9.19.1.1, 9.19.1.5, 9.19.1.6)

ALA thanks the Library of Congress for this clarification of the instructions for additions to authorized access points representing a person. ALA supports the proposal, with one minor change.

In the revision to 9.19.1.5, ALA would prefer to simplify the proposed addition: “or a term indicating the class of persons engaged in the profession or occupation ~~of the~~ person”.
