Subject: Changes to instructions on liturgical works (6.30.1.5)

ACOC thanks LC for this proposal to revise the instructions on liturgical works. ACOC supports the proposal, but considers that minor alteration to some of the proposed wording will further clarify the instructions.

The Clean Copy for Change 1 in part reads:

**6.30.1.5.1 Types of Liturgical Works**

   d) more than one reading from a sacred scripture intended for use in religious services

ACOC considers that inclusion of the term compilations more accurately captures the type of work in question, and suggests the following wording:

   d) compilations of more than reading from a sacred scripture for use in religious services

The Clean Copy of Change 2 in part reads:

**6.30.1.5.2 Liturgical Works Falling into One or More Categories**

   For a liturgical work falling into one or more of the categories listed at 6.30.1.5.1...

This part of the instruction refers to a list of categories in 6.30.1.5.1, however there are actually two such lists, and it may be unclear to the cataloguer which list is being referred to. ACOC suggests the following wording to clarify the instruction:

   For a liturgical work falling into one or more of the first five categories listed at 6.30.1.5.1...
