Subject: Compilations of Works by Different Persons, Families, or Corporate Bodies (New 6.2.2.11)

CCC thanks the Library of Congress for tackling this complex issue. CCC supports this proposal with the suggestions below.

Changes 1, 4 and 5
CCC supports changes 1, 4 and 5 as proposed by LC.

Change 2
CCC supports change 2, with the following small modification. At 6.2.2.11.1, use “commonly identified” in the first sentence because a compilation could be known by multiple collective titles, instead of “known.” This is in line with the changes proposed for 6.2.2.10 in the CCC response to 6JSC/CHAIR/15/rev/2.

6.2.2.11.1 Collective Title
If a compilation of works by different persons, families, or corporate bodies is commonly identified known by a collective title in resources embodying the compilation or in reference sources, apply the instructions at 6.2.2.4-6.2.2.5 in choosing the preferred title for the compilation. Record the collective title as the preferred title of the compilation. [examples as originally proposed by LC]

Change 3
CCC supports change 3 as proposed by LC with a small revision to the reference to point to the specific instruction, 6.2.2.11.

6.27.1.4 Compilations of Works by Different Persons, Families, or Corporate Bodies
If the work is a compilation of works by different persons, families, or corporate bodies, construct the authorized access point representing the work by using the preferred title for the compilation (see 6.2.2.11).
