Subject: Revision proposal for conventional collective titles in RDA 6.14.2.8 and Glossary definitions for conventional collective titles and the term Type of Composition

ACOC thanks the Music Working Group for the proposal on the revision of conventional collective titles in RDA 6.14.2.8 and Glossary definitions for conventional collective titles and the term Type of Composition.

ACOC agrees with the proposal and especially commends the Music Working Group in referencing pre-existing lists rather than creating a new one.

ACOC suggests, however, reducing the number of examples in the 'form or genre' part of the Glossary definition.
