Subject: Eliminating “Laws, etc.” as a conventional collective title (RDA 6.19.2.5.1, 6.19.3.6, etc.)

ACOC thanks ALA for the proposal to Eliminate “Laws, etc.” as a conventional collective title.

ACOC agrees with the proposal. We would like to ask the Examples Editor to review the examples at 6.19.2.5.1 to better illustrate each of the four types of compilations listed.
