To: Joint Steering Committee for Development of RDA  
From: Alan Danskin, United Kingdom Representative  
Subject: Revisions to Numeric Designation of a Musical Work (6.16.  
Response.

The British Library and CILIP thank the Music Working Group for the proposed revisions. We agree  
with the changes proposed. The substitution of “individual work” for “aggregate work” is considered  
to be particularly helpful.

Change 1: Agree  
Change 2: Agree. Inclusion of the guidance on language and the alternative instruction is justified in  
our view.
